C. Resolution 2026-07-01 Adopting a Fund Balance Policy – Erin Burke

 Resolution 2026-07-01 RESOLUTION ADOPTING A FUND BALANCE POLICY WHEREAS, the Board of Commissioners of Camden County recognizes the importance of maintaining a prudent level of available fund balance to ensure the County's financial stability, creditworthiness, and ability to respond to unforeseen emergencies, economic fluctuations, and revenue shortfalls; and WHEREAS, the Board further recognizes its responsibility to ensure that public funds are utilized effectively and that excessive accumulation of unrestricted fund balance may result in resources being held beyond the immediate needs of County operations; and WHEREAS, the North Carolina Local Government Budget and Fiscal Control Act requires local governments to maintain sound financial management practices; and WHEREAS, the Board desires to establish a formal policy defining both minimum and maximum target levels for General Fund balance. NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Camden County the intent to maintain an Available General Fund Balance between thirty-five percent (35%) and eighty percent (80%) of the subsequent fiscal year's adopted General Fund operating expenditures. BE IT FURTHER RESOLVED if the Available General Fund Balance falls below thirty-five percent (35%), the County Manager and Finance Officer shall present to the Board of Commissioners a plan to restore fund balance to the minimum target level within a reasonable period not to exceed three fiscal years, unless extraordinary circumstances warrant a longer recovery period. BE IT FURTHER RESOLVED if the Available General Fund Balance exceeds eighty percent (80%), the Board of Commissioners shall evaluate appropriate uses of the excess balance during the annual budget process. Such uses may include: a. One-time capital expenditures; b. Capital reserve funding; c. Debt reduction; d. Pay-as-you-go infrastructure investments; e. Economic development initiatives; f. Tax rate stabilization or reduction; or g. Other non-recurring expenditures deemed appropriate by the Board. BE IT FURTHER RESOLVED nothing in this policy shall require the Board to expend fund balance solely for the purpose of reducing the balance below eighty percent (80%) when extraordinary circumstances, anticipated capital needs, pending litigation, natural disasters, economic uncertainty, or other significant financial risks justify maintaining a higher balance.	BE IT FURTHER RESOLVED the Board may temporarily suspend or deviate from this policy by resolution upon finding that extraordinary circumstances exist, including but not limited to natural disasters, public health emergencies, significant economic downturns, major infrastructure failures, or other events affecting the financial stability of the County. BE IT FURTHER RESOLVED, that all prior resolutions or parts of resolutions conflicting with the provisions of this resolution are hereby repealed, superseded, and replaced to the extent of such inconsistency. This Resolution shall become effective immediately upon adoption. ADOPTED this 6th day of July , 2026.  Dr. Jason Banks, Chair Camden County Board of Commissioners ATTEST:  Karen M.
