C. NC Statewide Mutual Aid Agreement – Brian Parnell

Pasquotank-Camden Emergency Management is seeking adoption of the updated NC Statewide Mutual Aid Agreement (SWMAA). We currently have an SWMAA in place. However, there was an update in 2023 and North Carolina Emergency Management is urging all jurisdictions to sign on to the new document. Prior to the change, the Statewide Mutual Aid Agreement was only enacted during local or State declared emergencies. Now, the Statewide Mutual Aid can be enacted any time there is a need for additional resources without declaring a State of Emergency. Some of the other updates include: adding General Statute references in various sections, adding more definitions, updating the notification process between local jurisdictions and the State Emergency Operations Center, clarifying the payments and reimbursement procedures, and adding wording to the authorized representative page.

Motion to approve the updated 2023 North Carolina Statewide Mutual Aid Agreement as presented.

D. EMS Budget Amendment Request – Joe Zaller

Camden County EMS – Budget Amendment Project: Construction of Centralized EMS Supply Room – 330 US Highway 158 Date: 8-26-2025 Purpose: To authorize funding for the construction of a centralized, climate-controlled EMS supply and storage facility within the existing metal building located at 330 US Highway 158 formally used for electronics collection and storage. This project will consolidate supply storage to a more centrally located site, allowing Camden County EMS to: • Improve centralized access and distribution of medications, equipment, and supplies. • Provide secure, climate-controlled storage for additional mechanical and training equipment to support operational and educational needs. • Free up existing space at the South Mills Water Building, enabling conversion of that space into additional Camden County administrative offices at the South Camden Water Building. • Maintain ambulance and medication readiness through proper climate control. • Maintain equipped ambulance stocked with climate-controlled medication as an additional or backup ambulance. Scope of Work 1. Construction of Supply Room: ◦ Build an approximately 36 ft. x 12 ft. climate controlled enclosed room at the rear of the existing structure. ◦ Include a mezzanine level for bulk storage of large equipment, including mechanical and training equipment. 2. Climate Control Installation: ◦ Install a two-zone HVAC system: ▪ Zone 1: Dedicated climate-controlled environment for temperature sensitive medications and EMS supplies, ensuring compliance with medical storage requirements. ▪ Zone 2: Climate control for the ambulance bay to maintain vehicle readiness and ensure all on-board medications remain operationally compliant. 3. Electrical & Infrastructure Upgrades: ◦ Install dedicated electrical power supply for HVAC and lighting. ◦ Provide dedicated power connections to support ambulances while housed in the bay. 4. Workforce & Contractors: ◦ Camden County Public Works and Camden EMS staff will complete framing and general construction. ◦ Licensed contractors will complete the electrical panel installation and HVAC system setup. ◦ A quote from a general contractor to complete the entire project independently was obtained at an estimated cost of \$25,000. The proposed in-house/public works approach reduces this cost \$10,000.	Budget Impact • Materials & Supplies (Framing, Insulation, Construction Materials, HVAC units): \$10,000 • Electrical, HVAC Installation, Permits & Incidentals: \$5,000 • Total Project Cost: \$15,000 ◦ General Contractor Estimate for Comparison: \$25,000 Recommendation Approval of this budget amendment is recommended to create a centralized, climate-controlled EMS facility that enhances operational efficiency, provides proper storage for medical, mechanical, and training equipment, maintains spare ambulance readiness, and frees up space at the South Mills Water Building for the expansion of Camden County administrative offices at the South Camden Water Building.

E. Conflict of Interest Policy Update

County of Camden
Conflict of Interest Policy

The Board of Commissioners of the County of Camden has adopted this Conflict of Interest policy.

The members of the Board of Commissioners and any employees of the County of Camden shall avoid conflicts of interest and any conduct which may suggest the appearance of impropriety in the disbursement of funds.

If a potential conflict of interest arises, the board member or employee must disclose the potential conflict to the Board of Commissioners. Further, the board member or employee shall not vote on nor participate in the solicitation, negotiation, formation, award, arbitration, modification, or settlement of any contract or grant involving any State funds or any dispute arising under such contract or grant when the board member or employee stands to benefit, either directly or indirectly, from such contract or grant.

A board member or employee is not deemed to benefit directly or indirectly from a contract or grant if he or she receives only the salary or stipend due to him or her in the normal course of employment with or service to the County of Camden.

All board members and employees shall be informed of this policy.

I certify that this is the current Conflict of Interest policy of the County of Camden this, the 2nd day of September 2025.
