NEW BUSINESS

A. Discussion of Animal Shelter Services – Erin Burke

In light of the closure of the SPCA of Northeastern North Carolina, Manager Burke requested direction from the Board in regard to a possible agreement with Pasquotank County should Pasquotank elect to acquire the facility and animal services operations. Manager Burke stressed that the County is not currently in need of standing up its own animal services facility nor is in a position to do so. The statutory requirement of the County is to provide a 10-day hold for bite animals and a hold for the hearing period of potentially dangerous dogs.

After some discussion, the following action was taken by the Board:

Motion to direct the County Manager to investigate and negotiate a potential agreement with Pasquotank County and to also gather information on the cost of standing up a holding facility in Camden County.
