Description: The parcel at 312 Sleepy Hollow Road identified with pin number 02-8935-01-38-8518-0000 of approximately 8.8 acres is located on the southeast corner of Sleepy Hollow Road and Blue Hill Way in the Courthouse Township. Rezoning from the following Zoning District of Neighborhood Residential 151.3.5.5: The Neighborhood Residential (NR) district serves as a transition district from the rural and suburban portions of the County to areas proximate to village centers and major commercial corridors. The district Application Received: 3/18/2024 By: Amber Curling, Planning Application Fee paid: \$650 Completeness of Application: Application is generally complete Documents received upon filing of application or otherwise included: A. Rezoning Application B. Deed C. Neighborhood Meeting Comments D. Proposed Plan		is intended to accommodate single-family detached homes in a neighborhood setting at moderate densities. Mobile and manufactured homes on individual lots, conservation subdivisions, and agricultural uses are limited in order to preserve the district's neighborhood character. Manufactured homes are not allowed on lots within 5,280 linear feet of a village center boundary. The district's 40,000-square-foot minimum lot area may be reduced when lots are within one mile of a designated village center boundary and served by public sewer. District regulations discourage uses that interfere with the development of residential neighborhoods or that are detrimental to the district's single-family detached neighborhood character. Rezoning to the following Zoning District of Highway Commercial Zoning District 151.3.6.5: The Highway Commercial district is applied to lots along the County's major roadways (e.g., US 158, US 17, NC 34, and NC 343) and is intended for automobile-oriented commercial development as well as large floorplate commercial uses and uses that require or generate truck traffic. The district also accommodates agricultural and institutional uses as well as higher density residential uses with a special use permit. New development in the HC district is grouped and configured to ensure regular lateral vehicular and pedestrian access along major transportation routes as a means of establishing a well-connected transportation system. New development is configured to maintain high visual quality along the major roadway, or is fully screened from view. Sufficient spacing and screening is included along lot lines shared with adjacent residential zoning districts to ensure compatibility. New commercial and multi-family developments in the district are subject to the design standards in Article 151.5 Development Standards. SPECIFIC CAMA LAND USE QUESTIONS FOR THE BOARD TO CONSIDER:**1. Does Camden County need more land in the zoning class requested?**Yes ☒ No ☐

Reasoning: In the appropriate location highway commercial zoning district works well. The proposed zoning will match the use.

2. Is there other land in the county that would be more appropriate for the proposed uses?Yes ☐ No ☒

Reasoning: The proposed use is an accessory use for the established existing New Sawyers Creek Missionary Baptist Church.

5. Will the request have an impact on other county services, including police protection, fire protection or the school system?Yes ☐ No ☒

Reasoning: The rezoning should not have an impact on county services.

6. Is there a good possibility that the request, as proposed, will result in lessening the enjoyment or use of adjacent properties?Yes ☐ No ☒

Recommendation:

Planning Board recommends approval of the consistency statement in that the requested zoning map amendment is consistent with the Camden County Future Land Use Plans which identifies the property as Rural Preservation and Moderate Density Residential, which permits religious institution uses.

Planning Staff recommends approval of Ordinance 2024-07-01 Rezoning Application (UDO 2024-03-110) for 312 Sleepy Hollow Road of New Sawyers Creek Missionary Baptist Church from Neighborhood Residential to Highway Commercial.

Upon inquiry of Commissioner Krainiak, Mrs. Curling explained that the intent of the church is to place a large accessory building on the site for the purpose of weddings, funerals, etc. and explained that any accessory use building must be an accessory to the primary use, which is the religious institution (church).

Applicant representative John Lewis III addressed the Board and included the following in his comments:

- Purpose of the structure will be to serve as an event center primarily for the church's use but will also be open to community use.
- 8000-12000 square feet facility
- Possible daycare consideration

Chair Munro opened the floor for public comments.

Nicholas Camaio of Blue Bill Way addressed the Board in opposition to the rezoning and expressed concerns in regard to the following:

- The future of the quiet neighborhood that currently is situated near this property
- The church's plans after the rezoning to construct a publicly rented building that will hold nearly 800 people
- Other permitted uses that may be allowed if zoned for Highway Commercial
- Parking for large events

Mr. Camaio stated that nearby property owners had signed a petition in opposition to the rezoning.

Joe Forbes of Sawyer's Creek Road addressed the Board in opposition to the rezoning and expressed concerns in regard to the following:

- Concern of allowed uses if zoned for Highway Commercial
- Parking, traffic

Upon inquiry of Chair Munro, Mr. Lewis confirmed that there will be adequate parking for the planned use. Chair Munro inquired of the church members if the center will be used for the youth in the community. The members and Mr. Lewis affirmed that it would be used for youth and church-approved events. Mr. Lewis further explained that the intent and primary motivation is to have a facility that can seat up to 250 people.

Upon inquiry by Commissioner White in regard to parking, Mrs. Curling explained that if the property is rezoned the applicant will move forward with specific plans that will fall under the requirements of the County’s Unified Development Ordinance.

ITEM 6. OLD BUSINESS

A. Camden Schools Budget Request – Erin Burke

At the June 3, 2024 meeting, the Board of Commissioners approved \$3.4 million for school operations. However, there was noted deficit in the school budget for the 2024-2025 fiscal year due to the increases in costs mandated by the State of North Carolina and decrease in state funding. Camden Schools had originally requested \$4,656,694.

Camden Schools Chief Finance Officer Sally Norfleet had stated at the June 3rd meeting that the \$3.4 million allocation would require the following:

- Reduction of three teaching positions
- Reduction of one nurse position
- Cutting all local supplements (teacher, coordinators, principals, assistant principals, directors, cabinet)
- Cutting bus driver per route local supplement
- Cutting field trips by 100%
- Cutting all staff development by 100%
- Reduction of all supplies, materials, computer software, contracted services, etc. by at least 50% (in some cases 100%)

Following public comments in regard to school funding during the June 3, 2024 Budget Public Hearing, the Board indicated there would be additional discussion regarding these concerns at the July Board of Commissioners meeting. Camden Schools staff, the County Finance Officer, and County Manager have developed the following budget amendment options for the Board’s Consideration:

Option 1 - Increase of **\$412,292** would fund the following:

- Three teaching positions
- One nurse position

Option 2 - Increase of **\$1,038,961** would fund the following:

- Three teaching positions
- One nurse position
- All local supplements (teacher, coordinators, principals, assistant principals, directors, cabinet)

Option 3 - Increase of **\$1,256,694** to the entire requested budget allocation of \$4,656,694 would fund the following:

- Three teaching positions
- One nurse position
- All local supplements (teacher, coordinators, principals, assistant principals, directors, cabinet)
- Bus driver per route local supplement
- Field Trips
- Staff Development
- Supplies, materials, computer software, contracted services, etc.

Motion to approve Option 3, increasing the school budget to the full requested amount.

RESULT:	PASSED [5-0]
MOVER:	Ross Munro
AYES:	Ross Munro, Troy Leary, Randy Krainiak, Tiffney White, Sissy Aydlett

Chair Munro urged everyone to contact the County’s state representatives requesting that the state be held responsible for financial mandates that place a heavy burden on local governments and taxpayers.

B. Debris Removal and Monitoring - Pasquotank-Camden Emergency Management Coordinator Brian Parnell presented the following:

Debris Hauling/Removal

Our current contract with Phillips and Jordan, initially executed in November 2019, will be ending on July 1, 2024. Upon review of the RFP document developed in 2018-19 for this service and reaching out to NC Emergency Management (NCEM) for guidance in development of a new RFP, it was determined that NCEM conducted a competitively bid process in full compliance with state and federal procurement requirements, RFP# 19-IFB-015120-DAD, in 2019. These services, known by NCEM as a "Regional Prepositioned Debris Hauling", were awarded in 2020 to a primary, secondary, and tertiary vendor. The State RFP was reviewed and it was determined that it met or exceeded the last RFP developed by Pasquotank-Camden Emergency Management. Although voluntary, NCEM encourages local and municipal jurisdictions to participate in this program.

Primary – SDR, Southern Disaster Recovery

Secondary – Crowder Gulf

Tertiary – Ceres Environmental

Recommendation: Sign a letter of intent with the primary award vendor for use of their services if needed for recovery from a disaster. There is no financial obligation until a notice to proceed has been executed. All expenses are subject to reimbursement by State and Federal Emergency Management agencies during a declared event.
