NOTE: This agenda is only a tentative schedule of matters the Commissioners may address at their meeting and all items found on it may be deleted, amended or deferred. The Commissioners may also, in their absolute discretion, consider matters not shown on this agenda.

North Carolina law (G.S. 153A-41) permits a board of county commissioners to adopt its own rules of procedure if these conform to “generally accepted principles of parliamentary procedure” and do not conflict with applicable law. The Camden County Board of Commissioners has elected to conduct its meetings as outlined in the UNC School of Government publication, *Suggested Rules of Procedure for the Board of County Commissioners*, which is an accepted modified version of *Robert’s Rules of Order, Revised* for small boards.
